Good Afternoon!

Hopefully now that we finally hit September, the back-to-school madness is slowly being quelled and being replaced by "regular" unanticipated craziness. September is a great time to begin our study cohort through webinar style sessions via Join.me. Friday lunch hour seemed to be what folks wanted, though we typically had 5-10 with

us on any given session.

Please let me know as soon as possible 3 things:

1. If you are interested in being part of the 2019-2020 webcast study cohort. (If no, I will take you off this group list so I don't clog your inbox.)
2. If YES to #1 -- If you are on the fast track (completing your panel and exam by summer 2020) or leisurely track (>12 months to complete)
3. If YES to #1 -- If Friday lunch hour (11:30-12:30) will work for you (knowing that emergencies come up at any given time and could keep you from joining us). If not, would you rather an early morning session on Fridays (7-8 a.m.). I'm looking at the 2nd Friday of each month for our meetings, beginning Sept. 13. If you are game for either of these, let me know that, too. The majority wins in terms of the time set for our monthly webinar.

Please pass this along to anyone else you may know who is interested in pursuing their APR.
