**February 2016**

**Dear MOSPRA friends,**

In the wise words of Abraham Lincoln: "Give me six hours to chop down a tree and I will spend the first four sharpening the axe." As communication professionals, we are wise to invest time in planning our communication efforts. I'm excited to have one of the best school communicators in the industry with us **this Wednesday** to share her expertise in this area. Please join us for a session with Nicole Kirby, director of communication services for Park Hill School District. She will share with us the key areas of creating a strategic communication plan that you can actually use throughout the year.
